THE GM Corner

Dear Members,

Happy New Year! My hope is that this will be a happy and prosperous 2025 for you and your family. I want to begin by thanking you for making 2024 a fantastic year for the Club. Your enthusiastic support has set the stage for an even better year to come.

As we navigate the winter months, frost delays can occasionally impact our course operations. To ensure the health of our greens and the quality of your golfing experience, we want to provide clear guidance on how frost delays are handled.

What to Expect with frost or temperatures 32 degrees or lower-

- When frost is present, play will be delayed until the course conditions are safe, and the frost has dissipated. This precaution protects the turf from damage that can occur when grass is walked or driven on while frozen.
- The golf team will monitor weather conditions closely each morning. Updates on delays will be communicated via text, so if you are not on the texting service, please contact the Shop so we can get you added.

Please make sure you are filling your divots, fixing your ball marks, and make sure you are extra careful of where you drive your cart on days the course is not Cart Path Only. The course conditions will reap the benefits of conscientious players which is in the best interest of all members.

I look forward to seeing you at the Club!

Jeff Rutherford

Rocky Zapata, CGCS

Happy New Year!

Continuing our momentum of improvements on the course from last year, we plan on removing selected trees and trimming others. These changes will help increase sunlight penetration and air circulation across key areas of the course leading to healthier turf and better conditions throughout the season.

Drainage work is underway on number two. We are putting in a french drain in front of the green to help with These upgrades in drainage will ensure better playing conditions daily. We have also started the tee box extension on number six that will double the width of the hitting area and also provide more air flow to increase turf quality throughout the year.

As We Look Ahead-

Our team remains dedicated to maintaining and enhancing the courses for your enjoyment. From planned aeration schedules to new cultural practices, we are committed to providing top playing conditions while remaining mindful of sustainable practices. Thank you for your continued support, and we look forward to another year of great golf and shared experiences on the course. Here's to a fantastic season ahead!

GOLF SHOP

SUPPORT THE CLUB & LOGO UP!

It is one of the more exciting times of the year when all of the golf manufactures come out with new equipment. Taylor Made, Callaway and Titleist have new clubs and balls, Footjoy has apparel and shoes!

All of these items you can get through the Club, and you will save money. If there is anything that you need, please contact me so we can get you taken care of.

TaylorMade®

Titleist®

Callaway

EQUIPMENT NEWS

TCC has equipment accounts with- Taylor Made, Callaway, Titleist, Cleveland, & Srixon so instead of spending more (YES, I SAID MORE) at PGA Superstore or Golf Galaxy please get with Jeff so he can get you the right clubs or balls and save you some money.
