Tomball Country Club

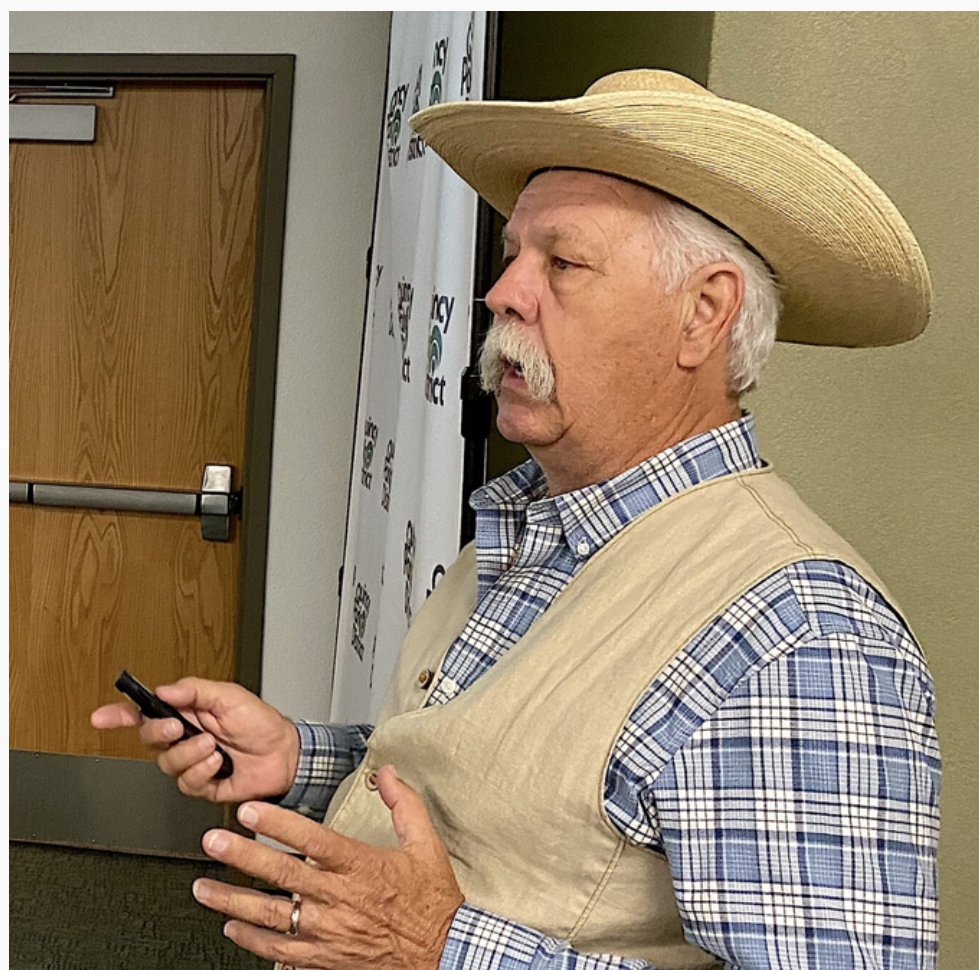

BOARD OF DIRECTORS

Our lake excavation project has been completed. This was an important step for the Club moving forward to increase the amount of water that is available to the course. The project will also help with limiting the amount of silt that gets into the lines and ruins sprinkler heads. The Geo tube they used to pump the silt lay from they used to pump the silt lay from the bottom of the lake will be left in the woods by the lake. This is by design, the Geo tube is fully biodegradable and meant to decompose over time.

The Club has hired Les Hill as our irrigation consultant, he specializes in golf course and large commercial irrigation design and consultation. Les has been designing golf course irrigation systems for over 38 years. Les recently designed an irrigation system for the entire course that would

provide consistent irrigation coverage for all greens, tees, roughs, and practice areas. The initial budget for the project is coming in at \$1.3-\$1.5 million. The TCC Board is now exploring financing options for the project in hopes of being able to replace our inefficient and out of date system. Timeline to start the project would be no earlier than the Spring of 2025.

THE GM Corner

It's official, spring has definitely sprung! The golf course is getting green and beautiful, and that yellow layer of pollen that March brought us is finally beginning to fade. We hope you enjoyed a wonderful Easter with your family and that you're ready to begin a fun spring and summer at the Club.

We have a full slate of tournaments just around the corner so make sure you don't miss out and get signed up. The TCC Spring Classic, member-member or member-guest tournament is April 20th. The Thursday Night Scramble kicks off on May 2nd and the Match Play Championship kicks off on May 4th. One of the biggest tournaments of the year, The Summer Classic 2-Man BBQ Scramble June 1 & 2 sign-up just opened. This event fills up fast so don't delay.

With a busy spring and summer ahead please look at the tournament schedule and make sure you receive and read the texts that come from the Club. Please do not hesitate to call the Club if you have any questions or concerns.

It is one of the more exciting times of the year when all of the golf manufactures come out with new equipment. Taylor Made, Callaway and Titleist have new clubs and balls, Footjoy has apparel and shoes! All of these items you can get through the Club, and you will save money. If there is anything that you need, please contact me so we can get you taken care of.

Please make sure you are filling your divots, fixing your ball marks, and make sure you are extra careful of where you drive your cart on days the course is not Cart Path Only. The course conditions will reap the benefits of conscientious players which is in the best interest of all members.

I look forward to seeing you at the Club!

Jeff Rutherford

Rocky Zapata, CGCS

It's been really nice seeing the turf green up over the past few weeks. The course has come out of winter strong, especially the greens, and we are looking forward to having a great growing season with solid playing conditions.

As everyone recalls, we had a rough summer last year with a significant drought and major water availability issues. We have some tees and fairways that suffered greatly during that stressful time. Now that temperatures are more favorable for growth and recovery, we are pushing these areas with fertility, and we'll do some solid tine aerification to get these areas back to normal as quickly as possible.

The new tee boxes have come in nicely and are on track to open soon. In the meantime, please stay off the turf at all times.

April 22nd we will be deep tine aerifying all fairways, it has been at least 15 years since this has been done and will help the turf growth immensely! The project will be completed in one day and play will not be affected.

EVENTS

FAMILY

ROCKY'S REVENGE

Rocky's Revenge Tournament was a great success with over 70 players participating. The best score in the scramble format was +7! Jerry Hulburt, Amy Hulburt, Paul Wisdom, Dave & Cindy Barton navigated through a tough set-up that included cut cups, decoy flags, no flags and a maintenance cart obstruction.

Special thank you to Bryce Hogan & Roofworks for sponsoring the event.

TOMBALL LADIES GOLF

COUNTRY CLUB ASSOCIATION

Tomball CC Ladies Golf Association (LGA) invites you to come play golf Wednesdays and Fridays at 9:30. We also play cards on Friday after golf. Come join us, we love meeting new members!

LGA Day Out!

The Tomball LGA participated in the 4 Person scramble tournament held at Sterling Country Club. It is always a great and fun tournament with lots of good prizes and food donated by Outback. We would love to have more Tomball members participate next year.
